Viva Books Private Limited, 2004. Softcover. Book Condition: New. Practice is an important part of making learning last. This practice needs to be frequent and it needs to be fun. The activities in this book provide that practice. You have been your child?s most important teacher for many years. You can continue being an important part of his/her continued learning by supervising practice and times and discussing the completed pages with your child. Is this book suitable for my child? You are the person who knows your child best. By observing your child at home and communicating with your child?s teacher, you can stay aware of his/her strengths and of areas needing some extra help. What can this book do for my child? You can use the book to provide practice of skills which have already been introduced to your child. Your child may need some help, but should be able to do most of the pages on his/her own. You can use the book to provide an opportunity for your child to learn new skills. Printed Pages: 1.
