Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The word dimensions has two meanings and they are as follows: 1) A determined measurement of length, width, depth, height and weight, and 2) A body form of dimensional proportions. The first definition is clearly of the terrestrial descent; space, matter, time and science. That is the first four dimensions. The second definition is clearly another substance as it is a body of dimensional proportions; thought, celestial and human spirit. Those three of the second definition are the last three dimensions. Therefore, based on the definition we have seven related dimensions that we continually work with on a daily basis and they are as follows: 1) space, 2) matter, 3) time, 4) science, 5) human spirit, 6) heavenly body, and 7) eternal thought. These seven dimensions are the dimensions that we continually work in and relate to every single day of our lives if we are of the Eternal One. Those that are not of the Eternal, work each day in a five dimensional process. The sixth and seventh dimensions are the realm of eternity wherein those who...
