Brand New Book ***** Print on Demand *****.If you want to attract birds into your garden, you scatter bread on your lawn. If you want monarch butterflies, you plant milkweed for them to feed on. And, following the same strategy, if you want to be visited by angels, you should offer them a banquet they can't resist. The trick is to supply the right food. Angels are ethereal beings with particularly refined appetites. It's no good expecting them to eat anything tangible. They can't digest even the lightest cotton candy. The nourishment they crave is of a spiritual nature.
