Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

THE WAVE AS AN EXCHANGE PROJECT

GRIN Verlag. Paperback. Book Condition: New. Paperback. 36 pages. Dimensions: 8.5in. x 5.5in. x 0.1in. Lesson Plan from the year 2008 in the subject English - Pedagogy, Didactics, Literature Studies, grade: 1, 7, [http: www. uni-jena. de](http://www.uni-jena.de) (AnglistischAmerikanistisches Institut), course: Proseminar: Transatlantic E-Mail exchange, language: English, abstract: The Wave is a movie based on real circumstances: A history teacher in the USA tried to answer the questions of his students: Why was it possible that the national socialists could move a whole nation to war Why did the Germans not stop the killings in the concentration camps and why did most of them not know what was happening there Is a dictatorship like the one of Hitler in Germany possible again in modern times To answer these questions the teacher made an experiment to show the students what a dictatorship is about. However the project went wrong and the story moved around the world. At first a movie was made in the 80s in the USA for television, later a novel was written by Morton Rhue and last year a German movie was produced with Jrgen Vogel in the male main character role. The movies and the novel caused a lot of discussions about the National Socialism in Germany in the 1930s and 40s and about the possibility of autocracies in general. This movie shows what is needed to develop a dictatorship and how people change during this process. In the USA German history is not taught very detailed, therefore many students have a lot of questions when it comes to the topic of the Second World War. As well as the students in the 80s, students of today can not imagine how Hitler came to rule Germany and to kill so many people. Even German students often do not understand...
