Excerpt: .almost beside himself with ioy, though he carefully refrained from letting his chieftain see it, knowing the consequences that would inevitably follow. This was the brief history he communicated to Seymore, who could but feel that a kind Providence had interposed to work out some good in Donald s preservation. CHAPTER VIII. rmz: EXPEDITION soarnsr PORTO BELLO. Tan crews of the several vessels that had been ordered in readiness were on boaid their respective ships, waiting the approach of their commander, who was rapidly nearing his vessel. Morgan had established as strict order on board his ships as could be found on a man-of-war of any country. He had transferred the stern discipline of the British navy to the men under his command. The well-scraped decks; the burnished binnacles; the neatly arranged muskets that stood lashed in their rack abaft the main-mast; the precision with which every rope was coiled under her bulwarks, showed the rigid order which controlled the entire organization on sea as well as on land. The piercing whistle of the boatswain on board the com mander s vessel, and the echoing answers of those on each of the other ships, with the hoarse cry of-- All hands on deck, ahoy! soon brought into immediate activity their several nrews. The steady tramp of numerous feet, interspersed with a verse of some wild sea song, the hurried orders, the cheerful response. told the moment of starting had arrived. The anchor was hove...
