

Death on Earth: Adventures in Evolution and Mortality

By Jules Howard

Bloomsbury Publishing PLC. Hardback. Book Condition: new. BRAND NEW, Death on Earth: Adventures in Evolution and Mortality, Jules Howard, As you read these words Planet Earth teems with trillions of life-forms, each going about their own business; eating, reproducing, thriving .Yet the life of almost every single entity draws nearer and nearer to certain death. Why? Why is death such a universal companion to life on Earth? Why haven't animals evolved to break free of its shackles? In this ground-breaking exploration of death, Jules Howard attempts to shed evolutionary light on this, one of our biggest and most unshakeable taboos. Encountering some of the world's oldest animals, and meeting the scientists attempting to unravel their mysteries, Jules also comes face-to-face with evolution's outliers; the animals that may one day avoid death altogether. Written in his familiar engaging and humorous style, Jules's journey inevitably ends with our own fate: can we ever become immortal? And even if we could, would we really want to?.
