Brand New Book ***** Print on Demand *****.This was originally a series of lectures, which include: The foundation of jurisprudence Craniomity Abortion Views of Scientists and Sociologists Venereal Diseases The Physicians Professional Rights and Duties The Nature of Insanity The Legal Aspects of Insanity Hypnotisim and the Borderland of Science Let us consider this on insanity: That cases involving an insane condition of mind must be of frequent occurrence, both in the medical and in the legal professions, is apparent from the large and rapidly increasing amount of lunacy in our modern civilization. Wharton and Stille s Medical Jurisprudence states (sec. 770, note) that in 1850 there was in Great Britain one lunatic to about one thousand persons; only thirty years later the Lunacy Commission of Great Britain reported one lunatic to 357 persons in England and Wales, that is, nearly three times as many. And this introducing the last lecture: IN this last lecture of our course I propose to make a brief excursion with you into the borderland of science, a region chiefly occupied by imposture and superstition. To show there is such...
