Booksurge Publishing. Paperback. Book Condition: New. Paperback. 230 pages. This is a brilliant work summarising in a persuasive manner the subtle negative impact of book religions specifically the New Testament on human free thought. The synthesis of the information is based on the depth of experience of the author who practised almost all known spiritualities. The book will invoke anyone to seriously reconsider a great deal that has been taken for granted and accepted as mysterious and divine. Christian spirituality is identified as the basic spirituality into which each human is immersed when born on earth. A careful analysis shows its subtlety in our politics, money and banking, education and the media. The book offers a powerful process to liberate our being. By knowing at least ten direct genetic and biological ancestors the reader is guided on how to vibrate the best they deposited in sacred spiritual vaults- our blood or genes. Then we vibrate beyond the subtlety. With clarity and confidence we live the best life and enter our fantastic spirituality. What then is SPIRITUALITY SPIRITUALITY is the interface of soul or physicality with the invisible world within. If you are religious, your definition of SPIRITUALITY will be based on soul only, which means that you don't easily access or accept to know the science behind SPIRITUALITY. The science behind SPIRITUALITY is ENERGY. We all know that ENERGY lives forever. It is omnipotent, omniscience and omnipresent, if anyone gives a different definition, it is wrong. Your SPIRIT doesn't have senses because your Spirit is ENERGY. Your senses limit you because your senses are linear. SPIRIT goes beyond linearity and limitations. It's everywhere all the time like The Universe is. It is the interface in direct touch with all if we may say. For instance, you can go to Mars or...
