*A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*

Until the girl of his dreams is caught on the other side. . . Emma Ruiz knows her father is innocent. But that doesn't help her convince the law--not even smoking hot U.S. Marshal Landon McCabe. When McCabe bangs on her door demanding information about how her cancer-stricken father escaped from federal prison, she'll have to distract him somehow--it may as well be with a stolen kiss. Landon gets why Emma isn't saying all she knows. What he doesn't understand is why he's putting his reputation, his case, and his badge on the line for a gorgeous person of interest. Much as he'd love to, he can't let Emma play him. The stakes are higher than either of them can guess. The only way to survive is to trust their instincts. But their instincts want more than one kiss. . .
