Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Quercus Publishing. Paperback. Book Condition: new. BRAND NEW, The Leaping, Tom Fletcher, Jack finished university three years ago, but he's still stuck in a dead-end job in a sinister call-centre in Manchester. When the beautiful (and rich) Jennifer comes into his life he thinks he has finally found his ticket out of there. Trouble is that his boss is interested in Jennifer as well, and there's something strangely bestial about him. So when Jennifer buys Fell House, a mysterious old mansion out in remote Cumbria, a house party on a legendary scale seems like the perfect escape. But as the party spins out of control on a seemingly neverending night, they must face up to the terrifying possibility that not all their guests may be human - and some of them want to feed. An astonishing and innovative blend of horror, folktale and disturbing realism, The Leaping is the first instalment in what is shaping up to be a genre-defining series.
