WISCONSIN KRAEMERS: I. THE OLD WORLD OF BAVARIA

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Wisconsin is well known for its German heritage. Kraemers are a prominent name in that heritage with Kraemer descendants engaged today in road building, bridge construction and building construction and construction-related businesses such as heating and air conditioning, lumber, plumbing, carpentry, electrical and masonry as well as many small businesses (farming, cheese making) and the professions (medicine, law, education) throughout the State. Their heritage extends back to 1649 in Tiefenbach, Bavaria, Germany where the first known Kraemer (Johann or "Hans") married Barbara Leonhard at St. Vitus Catholic Church in Tiefenbach. Johann Kraemer was not in construction or the professions, but was a humble weaver who eked out a living by weaving linen. He and his wife died at age 33 leaving a son age nine and a one year old daughter. How then did we all get here? "Wisconsin Kraemers: I. The old world of Bavaria" tells the remarkable story of six generations of these Kraemers as they struggled with the devastation of hand-weaving by the industrial revolution and had to shift to peasant farming under a manor lord. Although they gained freedom from serfdom and could own land by the early 1800s, their hard life and small patchwork farms were no match for the promise of free land and boundless opportunity in America. The Paul Kraemer family became a bridge to America as they joined the post-Civil War rush to the newly opened territory of Wisconsin. They were encouraged by other Kraemers and neighbors who had preceded them to Wisconsin and Minnesota. This is Part I of a two-part book, which covers the 360 year history and genealogy of the Kraemers of Tiefenbach and...
