

## Project Management Simplified: A Step-by-Step Process

---

By Barbara Karten

Taylor Francis Inc, United States, 2016. Paperback. Book Condition: New. 235 x 156 mm. Language: English . Brand New Book. Are projects a problem for you? Do your projects cost too much, take too long, or are just not quite right? If so, Project Management Simplified: A Step-by-Step Process is the book for you. It applies well-defined processes for managing projects to managing change in our lives. It describes an approach modeled on a process used successfully in businesses, not-for-profit organizations, schools, and other organizations. The skills and techniques are not unique to businesses and organizations; they are life skills available to everyone. There are a number of structured approaches that guide the successful completion of projects in business environments. This book translates these processes and techniques such that nonproject managers can easily use these proven approaches in a nonbusiness context for their own projects. It removes technical jargon, the need for computer software and hardware, and complicated organizational environments, describing the essential project management processes in a simple, straightforward manner. As you progress through the book, you connect the dots necessary to complete your personal projects. A sample project in the text and a case study in the appendices...
