*This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Roger Minott Sherman, Being the Discourse Preached at His Funeral, January 2, 1845 1 Corinthians, xv, 55. - O death! where is thy sting? O grave! where is thy victory? This triumphant ejaculation, which Christ hath made the property of all dying believers, implies that death may lose its sting and the grave its victory. And whence comes this change in the issue of the conflict which man is ever waging with death, and in which death is the natural conqueror? How shall we account for this transmutation so strange, so wondrous, so heavenly, by which this most resistless, relentless, unsparing conqueror, is itself made to die, is swallowed up in victory, and at the very moment of seeming to crush its victim, translates him to an endless life, gilds him with fadeless glory, transports him with the fullness of joy evermore, and crowns him with an immortal diadem? Our answer is found in that record which God hath given of his Son, who hath brought life and immortality to light. Thanks be to God who giveth us the victory through our Lord Jesus Christ, who has made the sublime annunciation on which all human hope depends. I am The Resurrection And The Life; Whoso Believeth On Me, Though He Were Dead, Yet Shall He Live. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
