Petrucci Library Press, United States, 2013. Paperback. Book Condition: New. 280 x 216 mm. Language: Spanish . Brand New Book ***** Print on Demand *****. Falla's showpiece was first composed as a gitaneria for voice, actors and chamber orchestra in 1914-15. He later prepared a version for voice and orchestra which was premiered the next year. This was in turn transformed into a one-act ballet for voice and orchestra, which is how it is usually performed today. The new vocal score offered here is a digitally enhanced reissue of the composer's own arrangement for voice and piano first published in 1920 by J. W. Chester of London. Unlike so many of the on-demand scores now available, this one comes with all the pages and the images have been thoroughly checked to make sure it is readable. As with all PLP scores a percentage of each sale is donated to the amazing online archive of free music scores and recordings, IMSLP - Petrucci Music Library.
