The Mayan Empire s Long Count calendar ends on December 21, 2012, the same point in time when the earth and the solar system lines up with the center of the Milky Way galaxy. There are many prophecies that predict the end of life as we know it on that date. Other ancient texts say that thousands of years ago alien explorers visited earth and altered human civilization forever.

The aliens found only primitive cavemen unsuitable for use as a slave labor force, so these aliens altered mankind s genetic code, seeded of our civilization, and left earth vowing to return on December 21, 2012. Matt Crew and Jack O Malley, two hard working men building their professional careers, were both fed up with the constant media rant about these prophecies of Armageddon. They decide the best way to avoid this constant doomsday hype would be to drive to Las Vegas for a week of partying, gambling, and women. When they reach sin city they quickly find the fun they...
